Now beware the gaze of a certain gentleman. Is he tempted by the tantalizing melange of Cakes & Fancies on offer or by the alluring young jewel, the youngest daughter of Lord Ballingford.

Heaven forbid could there be another romance amongst the cake stands! Last Season Mad Dogs & Englishmen was awash with scandal and is clearly the place to be seen for all those looking for a little sordid amusement!

*If there is a scandal I will uncover it. Keep your wits about you!
I will be observing. You will not know me, but let it be known Dear
Reader, I certainly know of you & by the morning the Mad Dogs &
Englishmen Society Papers will be filled with the gossip of the afternoon.
This author finds herself compelled to share whispers of any indiscreet
revelations. You may be the talk of Old Leigh by daylight...
You have been warned!*
